

Full Circle Skin Conditioning™

Hair removal is only the first step in creating the most beautiful skin possible that's why we've created the ultimate routine for keeping your skin looking its best!

- **Body Sugaring** - Every 2 weeks
Arguably the most comfortable, drama-free way to extract all hair and clear follicles of accumulated debris - plus it conditions the skin.
- **Phenomen-all** - 1-2 times a day as needed
Our #1 best-seller for treating ingrown hair and skin issues. Phenomen-all replenishes moisture, calms irritation and softens skin cells to help relieve ingrown hairs. It's 100% irritation free, plus it helps to smooth out stretch marks and scars.
- **Saltspring** - 2-3 times a week (Wait a minimum of 48 hours after sugar service)
Rich in natural minerals, Saltspring rejuvenates your entire body and leaves skin feeling silky and smooth. It also ex-foliates the skin, treats body blemishes and releases ingrown hairs to clear the path for trouble-free growth.
- **Mud Puddle** - 2-3 times a week
Mud Puddle is an all natural Hungarian mud, rich in essential minerals. This multi-purpose rejuvenating treatment helps with ingrown hair problems, treats facial blemishes and improves skin texture.

That's the Full Circle Skin Conditioning program! For maximum benefits, get started today!
